LAS VEGAS – Grammy-nominated heavy metal band Queensryche will perform at Eastside Cannery Casino & Hotel on Saturday, November 19, 2016 at 8:00 p.m.

Queensryche first burst onto the music scene in 1982 with the release of their self-titled four song EP "Queensryche." They very quickly gained international recognition and performed to sold-out audiences around the world. With the follow up first full length album "The Warning" in 1984, and the ground breaking 1986 release of "Rage For Order," Queensryche continued to prove their worldwide dominance as one of the most respected and creative bands of the 80's.

Queensryche has been successful in the progressive scene, having sold more than 30 million albums globally. The band received worldwide acclaim after the release of their 1988 album Operation, Mindcrime, which is often considered one of the greatest concept albums of all time. Their 1990 follow-up release, Empire, also was very successful and included the hit single "Silent Lucidity." The band has received three Grammy Award nominations for songs off both albums. Queensryche is currently touring in support of their latest album release "Condition Human."

Queensryche will perform on Saturday, November 19, 2016 at 8:00pm at the Eastside Cannery Casino & Hotel located at 5255 Boulder Highway in Las Vegas, Nev. Tickets start at \$15.95 and are available at www.ticketmaster.com. For more information, visit www.eastsidecannery.com/entertainment.
